

Terms and Conditions for Acceptance of Service NSW \$500 BASC Voucher

- As advised by Service NSW the vouchers cannot be used against existing debt as at 27/02/2022.
- The Centre’s Policy is that Vouchers will only be processed for families once any existing debts are cleared.
- Families enrolling to take advantage of the \$500 Voucher Program must enrol with a permanent booking for a minimum 4-week period prior to the voucher coming into effect. This does not include the 2-week “Notice of Cancellation” period.
- If enrolments cease prior to the full utilisation of the \$500 Voucher no refunds will be made to the families of the balance of the voucher. If Service NSW allocate the vouchers in smaller amounts on a periodic basis any balances will not be refundable to the families.
- This form must be signed and attached along with your Service NSW voucher QR code and emailed back to champ@champenterprises.com.au so we can allocate to your family account.
